

Blackball International currently has the following position available.

VICE PRESIDENT OF BLACKBALL INTERNATIONAL

At the recent Blackball International General Assembly it was passed to allow a change to how the Blackball International board is formed. Blackball International has opened its applications for vacant positions to the continental members. If a candidate is interested in holding a position on the Blackball International board they can submit their resume to their own member country. If your member country agrees with this proposal they can then submit this approval with your resume to your continental body for final approval. If this approval is gained your continental body will submit your resume and approval to the Blackball International President. From the received nominations a board will be formed.

The role of Vice-President:

- Assist the President in all his duties and responsibilities.
- To report to the President and his/her absence to the Blackball International board and General Assembly
- To develop, record and amend Blackball International policy on an on-going basis.
- Maintain and develop Blackball International Constitution and Bye-Laws.
- To liaise with all prospective 3rd party agreements and contracts.
- To inform the Blackball International of any opportunities regarding sponsorship.
- To research and ensure that Blackball Internationals stays abreast of the latest world standards, trends in operation and management and to advise the Blackball International President/ board of these changes.
- Any ad hoc duties as required by Blackball International.

These positions are currently open for applications to fill the role until the next BI GA of 2022.

We are looking for a people who can take the role on, own it make it their own. They will have a passion to drive the game of Blackball forward and work closely with the rest of the BI board.

Any questions or queries please feel free to contact Mark Cottingham – President of Blackball International on cottee147@hotmail.com

Closing date for applications 30th April 2021.
